OUT ON THE LIMB with George Vierhus

THANKSGIVING DAY, a truly American observance that is steeped in tradition, gives us all a chance to pause in the hectic rush of everyday routine to reflect about our individual blessings.

Or, at least, we should make an effort to do some reflecting.

Most of us have a great deal to be thankful for, even if at times things may look slightly dreary.

We don't intend to deliver a Thanksgiving sermon in this column.

We think that professionals in that particular field are better qualified than we are to do that job.

That is why traditionally that The Press calls upon a local clergyman to present a Thanksgiving message.

The message today is given by the Rev. Anthony Wayne Myers, pastor of the Campbell Congregational Church, the first time he has had the opportunity, since he took over the pastorate of one of Campbell's oldest churches in June of this year.

-0-

WE CONCEDE that "giving thanks" should not be confined to just one day in the entire year. But we also must ruefully admit that many of us will be so involved with football games, preparing the turkey, and visiting with relatives, that perhaps the meaning of the one day set aside for Thanksgiving will be lost in the rush.

You just may not find the time for reflection of your blessings.

We hope you will find time to read Rev. Myer's message, for it does give meaning to the basic principles of the day.

And that's why we called on a "pro" to do the job.

-0-

THANKSGIVING used to have another function of a commercial nature. It used to be that Thanksgiving officially opened the Christmas season for the stores.

But not any more.

Christmas season in some of the commercial establishments has been moved up to Halloween. But one thing for sure the Yule season can only be extended on one end, the beginning.

Fortunately no enterprising merchant has been able to do anything about going past Christmas Eve with the "season".

We like the holiday season with all the bustle, the parties, the crowds and the good will that it engenders. We admit, however, that the organized confusion of a weekly newspaper becomes even more confused during this time of year.

C. of C. to vote

Ballots went out yesterday to all members of the Campbell Chamber of Commerce who will vote this week on seven new directors for the Board of Directors of the Chamber.

Sixteen candidates have consented to run for the vacancies on the 1967-68 Board of Directors. Ballots are due to be returned to the Chamber office by Nov. 30 with counting to be completed by Dec. 1 by the executive nominating board. New directors will serve a term of two years.

Candidates for the seven positions include:

Harry Aho, Mgr. Breuner's; Ted Apanasewicz, Asst. Mgr. Wells Fargo Bank; William "Bill" Brown, Owner, Campbell Office Machines; Robert A. Bullard, Certified Pub. Accountant; Rich-

DALLAS GRUNDY

Funeral services with military honors were held at Golden Gate National Cemetery for Private First Class Dallas Grundy, 23, killed in action in Viet Nam on Nov. 5.

Private Grundy had been in Viet Nam for only four weeks. He was drafted into the Army in Jan., 1966. Both he and his wife, the former Shirley Miller, were graduates of Campbell High School. He was the son of Mr. and Mrs. George Grundy of San Jose and son-in-law of Mr. and Mrs. Edward Miller, 1291 Elam Ave., Campbell.

Mrs. Grundy now resides at 4905 Caroline Way, San Jose.

Traffic testing?

Campbell's City Council recently has recognized the valid claims of mothers of school-age children that crossing the heavily-traveled San Tomas Expressway at Campbell Ave. is a dangerous occupation, especially in the cross-walk on the right turn lane off Campbell Ave.

Despite the fact that the expressway is under county jurisdiction, Campbell will provide a crossing guard.

School Superintendent Neal Royer stands in the crosswalk (above).

Council pay gets spotlight

More than in any situation that has been before them previously, Campbell councilmen next Monday, Nov. 28, must let their consciences be their guide, for they are scheduled to act on an ordinance that involves them directly.

The ordinance up for adoption specifies that Campbell councilmen starting next year will be paid salaries of $150 per month each.

Apparently little organized opposition for the ordinance appears to have cropped up among informed citizenry, who seem to be aware that the Campbell councilmen today, because of the increased civic problems, are forced to devote long hours to city business, sometimes at the expense of their own business or profession.

Although the salary ordinance may have taken the spotlight as far as next Monday's meeting is concerned, other matters before the council will have major importance as far as the city government is concerned.

City Attorney Joe Bonacina is expected to present for first reading an ordinance that will establish basic controls for cats and bees within the city limits.

City personnel, especially in the police and fire department, have long recommended better "tools" for enforcement of public nuisances that have developed in some instances.

The council may also act next Monday on the so-called county expressway policy affecting pedestrian overpasses.

A recommendation spelling out how the need for overpasses can be established and how the financing should be undertaken has been submitted by the technical group of the County Transportation Policy Committee.

Garbage and trash pickup services within the city limits, and how the charges compare with other cities will probably be discussed by the council based on a report by the city staff.

WV College board eyes Saratoga

With unanimous acceptance of the final working drawings and specifications for the engineering-technology building submitted by the district architects Reid and Taric, the West Valley College Board of Governors Thursday night voted to move swiftly into the programmed development of the district's 143-acre site in Saratoga.

This action was taken in accord with the board's position stated earlier this year, when it promised that should the $21.5 million bond issue which would have financed building the college in Santa Clara fail in the November general election, the board would act to expedite building on the site already owned by the district.

When the engineering and technology building plans are approved, construction will proceed immediately, according to board action, with an estimated completion date of 15 months after contract bids have been awarded.

Dr. Wallace Hall, college president, indicated that the building might be available for use by the beginning of the school year in Sept., 1968.

The board also voted to place relocatable buildings on the Saratoga campus, concurrent with construction of the first permanent building to meet school population growth projections for 1968-69.

ON THIS DAY... We give Thanks

REV. A.W. MYERS

Traditionally The Campbell Press calls upon a local clergyman to present a Thanksgiving Day message in the issue preceeding this purely American observance.

The message today is by the Rev. Anthony Wayne Myers, of the Congregational Church of Campbell, one of the two oldest churches established in this community.

The Rev. Myers, a minister of the United Church of Christ, has been pastor of the local church since June of this year coming here from Naperville, Ill., a suburb of Chicago. He is a graduate of Pacific University, Forest Grove, Oregon and of the Chicago Theological Seminary and the University of Chicago.

The Rev. Myers and his wife, Brix, have two children, Kathy, 8, and Peter, 6. They make their home at 1612 Tiffany Dr., San Jose.

Thanksgiving 1966

Since the American adventure began, men and women have given thanks to God for the fruits of harvest and for His providential care. The annual observance of Thanksgiving Day reflects the character of a people, who, though ambitious and independent, still recognize that none of us "goes it alone." No true American is too proud to bow in prayer, for we are a nation "under God." On Thanksgiving Day, in our places of worship and in our family gatherings, most of us will pause to pray.

Foremost in the thoughts of our people will be those who will be absent from the family circle. Men in Viet Nam, some in areas of combat, others "giving thanks" by providing help for Vietnamese civilians, the indigent, the homeless, and the children, as our men do wherever they go. They not only fight for freedom for others, but also demonstrate the gratitude of a free life by offering service to others.

In the thoughts of many will be the wealth which a bountiful land and the energetic labors of mind and muscle can produce. We will remember that we are indeed fortunate. Our holiday menus will reflect the rich melting-pot of customs and tastes which means "American." The adventures of a creative society are visible about us, even circling us out in space.

For some, the unfinished jobs of a free society will also command prayerful thought. We may well discuss the stresses and strains of a mobile, industrial society at the table. We are concerned about our youth, about the unfulfilled hopes of minorities among our people, about the changing patterns of family living, about the depersonalizing that accompanies the urban sprawl. We will ask God's guidance.

Some will thank Him for very small but important blessings. For renewal of health. For sweet memories. For word from friends and loved ones. For a good meal. For courage to face the future unafraid.

Let no one say that he has no cause for gratitude. The great faiths of our people remind us that God works His silent blessings even in the midst of our hardships. This people was nurtured on the hardships of a wilderness. We have faced war and depression and continuous conflict for generations. Men and women on your street and mine have won private victories over disease and fear and, sometimes, over their own mistakes. We thank God for all these many victories, won under fire, and beseech the Almighty for the strength and courage to become faithful pilgrims and pioneers ourselves in the Space Age.

Gateway to Campbell

In an editorial last week we suggested that the Campbell Ave. of the future could be developed into the "Gateway to Campbell".

We made the rather obvious conclusion that there has been a change in the so-called "concept" of Campbell Ave. over the years.

No longer is it a "shopping center" of the modern-day variety. And no longer does Campbell Ave. open onto the main residential section of the town.

But still Campbell Ave. remains as this community's main identification mark...No matter what changes have taken place on the street during the past decade, Campbell Ave. is still the "Gateway to Campbell", whether we like it or not.

Thus we submit, if all of us are convinced that Campbell Ave. should be the "gateway", then all efforts should be made to make it as attractive as possible.

We concede that improving Campbell Ave. merely to make the street more accessible for the shoppers who will patronize the stores on the street, would be grossly unfair to the other shopping centers in the Campbell sphere.

Therefore, it is obvious that the street should not be improved to the ultimate, if shopping conveniece was the only reason for the improvements. There are five other shopping centers within the city limits that offer more in services and return more in sales tax revenue than Campbell Ave. will ever produce.

What we are trying to say is that in order for Campbell Ave. to become the attractive boulevard it could become and be the real "gateway to Campbell", it first must become the common denominator for the entire community.

No longer can the street be classified as an access road to just another shopping center.

We must decide that a "gateway" is needed as an attractive entranceway to a bustling, thriving, progressive community.

Admittedly, it takes imagination, ambition and foresight to even envision what the Campbell Ave. of the future could be.

It will also take a heck of a lot of dough.

But we think it is worth thinking about just the same.

An attractive, wide boulevard with modern electroliers, all utilities underground and graced by trees could make us all proud of our community.

Truly it could become the real "gateway to Campbell".

They should be paid

Up for consideration by the City Council is a new city ordinance which would authorize the payment of $150 per month to each councilman starting in January of next year. The ordinance is scheduled to be adopted on Nov. 28.

We endorse the idea. We have long been acutely aware of the amount of time that the Campbell councilmen are devoting to city business. A monthly stipend of $150 may help a little to compensate for the hours that the conscientitous councilmen must of necessity spend in conducting the affairs of the city.

Without sounding conceited, we point out that your editor is probably more familiar with the problems that confront this city and what it entails for those in charge of the city government than any other individual in this town.

It is our business to be aware of these factors. Your community newspaper is the only medium that is available that disseminates the information about your city government to you, the shareholders and you need such information to judge whether your "directors", the city councilmen are properly representing you.

We have been exposed to the workings of the Campbell city government for 11 years, only three years less than the city itself has been in existence.

We have seen the city administration grow from a staff of six people to a payroll of more than 90.

We have seen the town grow from 7500 to 22,000 people.

And with this growth and with this expansion of services, have also come a myriad of problems that were unheard of at the city hall 11 years ago.

It has been estimated that the city councilmen today are averaging about 30 hours per week in city business or allied activities. This includes, of course, attending meetings of regional and county-wide groups whose actions vitally affect your community.

And you also must remember that your councilmen are spending their days at their own professions or businesses and these extra hours they devote to city business are on top of that.

There will be those who will argue that the "city councilmen knew what they were getting into" and if they can't devote those extra hours to the city then they shouldn't seek the office.

We think such an argument is grossly unfair. This reasoning would limit the field of candidates to only those who are not "busy" and the old adage still holds true to get things done pick a busy person.

It is also true that we need conscientitious councilmen to administer the city government. They must show interest in all phases of the administration. And this takes time.

The monthly "salary" of $150 will by no means compensate for all the time that dedicated councilmen will work at their job.

But it will ease the burden a little.

And the "season" is just started.

By the time the new year rolls around, we will be thoroughly confused.

FRUSTRATED was the way we felt last Friday night when the merchants at the Campbell Plaza Shopping Center gave away 20 turkeys.

We were on hand to "shoot" a few of the winners, who had to be present when Bill Spann, Safeway manager, and Arland Hatfield, First National Bank manager, pulled the winning tickets from the big drum.

The fourth ticket drawn belonged to Chet and Fran Clever, who were unable to be present at the gathering that Friday night. Thus they were unable to collect their bird.

-0-

As you probably know, Fran is the office manager of the Press.

And there we stood helplessly with our camera in hand and we could do nothing about the sad situation.

We couldn't answer for 'em because Bill and Arland, who were running the show, were too CLEVER for that.

That's just some corn to go with your turkey.

-0-

SANTA was busy at the Campbell Shopping Center on Saturday, along with "Miss Santa" who rode in style down Campbell Ave. to the shopping center from the fire station in the Model T fire engine of the fire department. Captain John Butterfield acted as chauffeur for the distinguished couple.

-0-

SANTA WILL BE a busy old boy from now until Christmas Eve in all the shopping centers. Even in the so-called jet age, the tots still seem to delight, with some urging from their mothers, on climbing on the old gent's lap and to tell him what they want for Christmas.

Bill Means, of Campbell Drugs, who filled Santa's suit recently at the annual picture-taking event at the store, reported that in the space of two hours, Santa's lap held 122 kids. This breaks down to about one every two minutes.

-0-

THE DEADLINE for this issue, as we reported, was moved up.

This necessitated working Saturday and skipping most of the TV football classics.

We managed to hold out at the office until the last quarter of the Notre Dame-Michigan State game. Then we scooted home.

And we only saw part of the Cal-Stanford mud battle which followed.

But we did see DUANE MAYFIELD, son of Mr. and Mrs. Harry Mayfield, of Campbell, a stalwart on the Bear line, give a good account of himself.

We were doubly pleased with Duane's performance. First because he is a Campbell High grad and, secondly, because he is a former carrier for The Press.

Of course, he is a little bigger than he was when he tossed papers on your doorstep.

MRS. DOROTHY TREVETHAN

Mrs. Dorothy Trevethan, Campbell City Clerk, has been appointed to a state-wide legislative committee by the League of California Cities, to study the state's election laws. The committee is comprised of clerks from various cities throughout California. Frank Greiner, San Jose City Clerk, is chairman.

The next meeting of the committee will be held Dec. 1, at the San Francisco Hilton. One of the subjects to be discussed will be the time for closing of the polls.

Up to the present time, according to Mrs. Trevethan, it has been optional to close the polls at either 7 or 8 p.m. The committee will hear reports from City Clerks who have held the polls open until 8 p.m. to determine whether or not more people have voted than in previous years when the closing time was 7 p.m.

The committee will make its recommendations to the State Legislature.

Elaine Bartolone is bride of Leland R. Thomas

MR. AND MRS. LELAND R. THOMAS

A home in Burbank Calif., has been established by newlyweds Mr. and Mrs. Leland R. Thomas. The wedding was solemnized at St. Lucy's Church. The bride is the former Elaine Phyllis Bartolone, daughter of Mr. and Mrs. Sam Bartolone of 2459 Neville Ave., San Jose.

Rev. Robert Dailey officiated at the 11 a.m. nuptial mass. For her wedding, the titian haired bride chose a yellow peau de soie gown, designed with an A-line skirt and bell shaped sleeves. Her yellow illusion veil, was secured with a peau de soie pill box. She carried a bouquet of white carnations and yellow roses, bordered with ferns.

The bride's sister-in-law, Mrs. Ruth Bartolone, was the matron of honor. She was attired in a beige sheath featuring a green brocade duster. Her bouquet of yellow carnations were trimmed with yellow netting. Other bridal attendants were the Misses Angela McGreevy and Rosemary Mengo, who served as bridesmaids. Their gowns matched the matron of honor.

The bride's brother, Larry Bartolone, was the best man. Ushering duties were performed by Charles Campbell.

A reception for 75 guests was held at the Campbell Country Woman's Club. A three tiered wedding cake decorated in yellow was the center of the buffet table. The couple left shortly after the reception for a honeymoon in Carmel.

The new Mrs. Thomas is a graduate of Campbell High School and attended San Jose State College. She was formerly a member of the San Jose Light Opera Company and will pursue a career in dramatics in the Hollywood area.

The bridegroom is the son of Mr. and Mrs. B. Gael Campbell of Ogden, Utah. He is employed as assistant film-editor for John Nash Productions, Hollywood.

WV Light Opera opens holidays with musical

West Valley Light Opera Association will present the delightful Christmas musical, "Here's Love" at the Saratoga Civic Center Theater during the month of December. This Meredith Wilson adaptation of the movie, "Miracle on 34th Street" is a happy story of a mother and daughter who do not believe in Santa Claus until the real Santa is hired to ride in Macy's Thanksgiving Day Parade.

The lead role will be enacted by Priscilla Morrow. Vince Alaimo, known to local audiences for many fine performances, will play the male lead. Both have been seen recently in "Oliver."

Bill Cowl will play "Kris Kringle" and several local area residents play supporting roles, including Patti Boyd, Tara Gooze, Phyllis and Kathy Hofer, Linda and Lori Goscila and Jack Boyd.

The production is under the direction of Sherwood Goozee, who also directed the opening production of the West Valley Light Opera hit, "Oliver." Goozee, a graduate of the University of Pacific, was active in theater projects in the Navy and has acted on Broadway and in summer stock.

"Here's Love" will open at the Saratoga Civic Theater on Dec. 2 with a special benefit performance. The show will open to the general public on Dec. 3 with other performances slated for Dec. 9, 10, 16, 17 at 8:30 p.m. and Dec. 4, 11, 18 at 3 p.m. For information or reservations phone 867-9242 or 356-6410.

Homecoming queens will reign over annual Thanksgiving games

Campbell Crier

by DAVE TURNER

The past week was one of disappointment at Campbell High School.

Hundreds of man-hours of work have gone into the Buc Marching Band's "Rose Bowl or Bust" campaign and it now appears that it was all for naught. After hours of knocking on doors selling Almond Roca, many sessions licking envelopes for mailing to the Southland to set up reservations for food and lodging, and above all, after weeks of dreams and expectations mounting higher and higher, the band received word that the invitation to perform in the 1967 Rose Bowl had gone elsewhere.

At this writing, no decision has been made on what to do with the money. One idea which occurred to many in the band was to save it, and hope again next year.

SARATOGA WIN

Disappointment was also an unwelcome visitor to the gridiron for us last week. Picked to finish around the middle of the WVAL, the powerful Bucs knew as well as most that they were loaded with talent this year and would be in the race all the way. The 1966 Bucaneers truly sported more championship promise then they have since the days of Morton and Schraub.

In last Friday night's game with Saratoga the Bucs fought valiantly but the varsity gridders just weren't able to overcome the 21 points made by Saratoga in the first half.

Our heroes went down 28 to 13 and with them fell all hopes of copping a part of the league crown in 1966.

BIG GAME

On the bright side of the world, Campbell's Soph-Frosh team meets the Kittens of Los Gatos this afternoon, Nov. 22, at 3 p.m., at Buc Stadium, with still a chance of tieing for their league championship.

At 11a.m. on Thanksgiving Day, of course, is Campbell's own "big game" against Los Gatos. Playing at home, the Bucs will want to redeem themselves, for their fans at least. While their record does not show it, the Wildcats have given the league leaders some of the toughest football they've seen all year.

With an exciting contest promised, and the bands expected to present their usual dazzling Turkey Day shows, this holiday displays a little magnetic charm that should keep every Cambellite within the city limits.

Del Mar Dateline

by LINDA DEL GRANDE

Thanksgiving Day is the date set for Del Mar's traditional homecoming game with Camden. This annual event will take place on the Cougar's field.

Highlighting the game will be the crowning of Del Mar's Homecoming Queen, Lee Ann Hamrick, during half time. Her princesses are Charmain Santos and Karen Lewis. All three will be driven around the field. Then Queen Lee Ann will be escorted onto the field by the Don's Student Body President, Scott Thibado, followed by Princesses Karen and Charmain with their two escorts from the Student Council.

The word this week at Del Mar is BEAT CAMDEN!

CAR RALLEY

"A Ride on the Wild Side" will take place Sunday morning, Dec. 4. This car rally is sponsored by the Senior Boys Service Club, Omega Sigma Phi.

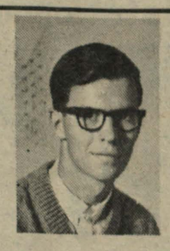
Registration will start at 10 and end at 12:30. The cost will be $2.50 with any student body or F.C.C.A. card.

The rally will begin at Valley Fair Shopping Center and conclude at the Straw Hat Pizza Supreme on Campbell Ave.

Trophies will be awarded to first through third place winners. Plaques will also be given for fourth through tenth place. Participation plaques will be distributed to all who attend the rally.

Friday, Nov. 19, Del Mar tied the Westmont Warrior's 13-13. The football game was played on Westmont's field.

Warrior World



by RUSS LONG

This week's biggest event is the annual Thanksgiving Day Game against Leigh. The game starts at 11a.m., and will be played at Leigh.

Not only is it the annual Turkey Day game, but for the Warriors it is Homecoming. Three senior girls will be picked to be Homecoming Queen and her Princesses. The choice is made by the football team.

Another annual event, not too well known, is the band breakfast. Every year at Thanksgiving, the band members raid a local pancake house for breakfast. This is a traditional thing over at Campbell, and was brought to Westmont when it opened 3 years ago.

Westmont's Pep Club, 80 uniformed girls who attend all sports events, is sponsoring a white shirt drive. Anyone who has an old white shirt is asked to donate it to the drive.

The shirts will be used to keep the rooting section dressed all in white.

A box has been placed in the Dean's Office for canned goods for a needy family in this area. The goods will be taken to this family for Thanksgiving.

TOYS FOR TOTS

Westmont's busy marching band has been asked to provide the halftime entertainment for the Marine Corps annual Toys for Tots benefit football game. A Pop Warner league game, it will be played at Buck Shaw Stadium in Santa Clara, and the admission will be one toy. The two teams are from Santa Clara and Venice, Calif. This is quite an honor for the band, and should be a good show.

TIE GAME

A 20-yard touchdown pass in the last quarter gained Del Mar a 13-13 tie with Westmont last Friday in a WVAL clash.

Westmont touchdowns came on a three-yard burst by Harry Wright, and a 17-yard pass from Greg Wiles to Bruce Anderson. This gives the Warriors a three win, two defeat, and one tie record going into the final game with Leigh.

Camden Chatter

by JAN LOWDEN

CAMDEN HIGH HAIL, QUEEN MAGGIE:

Maggie Fendall was crowned Homecoming Queen for 1967 at a special rally Nov. 18. Maggie, a Camden Senior, was crowned by this week's captain of the football team, Ron Hunter. Maggie was chosen queen by the team at a secret ballot vote taken this month. Martha Keeler, and Tina Clementi were princesses. All three of the girls received a trophy and flowers.

The girls will again be crowned at the Homecoming game with Del Mar on Thanksgiving Day.

MIKE IS CHOSEN:

Cadet Lt. Col. Mike Strickland, Camden Senior, has been chosen regimental commander of all cadets in the Campbell Union High School District, according to John Runcie, Commandant of Camden cadets.

EDDIE'S FATHER IS HELPED:

"The Courtship of Eddie's Father", this years Senior Play was presented Thursday and Friday nights in Camden's Cafeteria. Judy James, portraying the part of ten year old Eddie, was highly praised for her performance in the play. John Garvey who played the father was also excellent.

Other members of the cast were: Gayle Adams, who played the woman that Eddie wanted his father to marry; Pat Starr, who also wished to marry Eddie's father; Pat Kelly, who played a playboy; Valerie Waterman, a runner-up in a beauty contest; Kathi Ross, Don Knapp, Rick Marks, John DeFazio, Karen Gordon, Chris Baclawski, Candy Dawson, and Dale Fuentes.

BOYS IN ON CHAMPIONSHIP:

Five Camden boys are members of the 1966 World Championship Colt League baseball team.

The West Valley All-Stars beat Paducha, Ky., to win the world championship. The team won the western regionals and advanced to the finals, held in Oklahoma.

The boys were: Lou Gasper, Ron Curnutt, Rich Troedson, Bill Butler, and John Edwards.

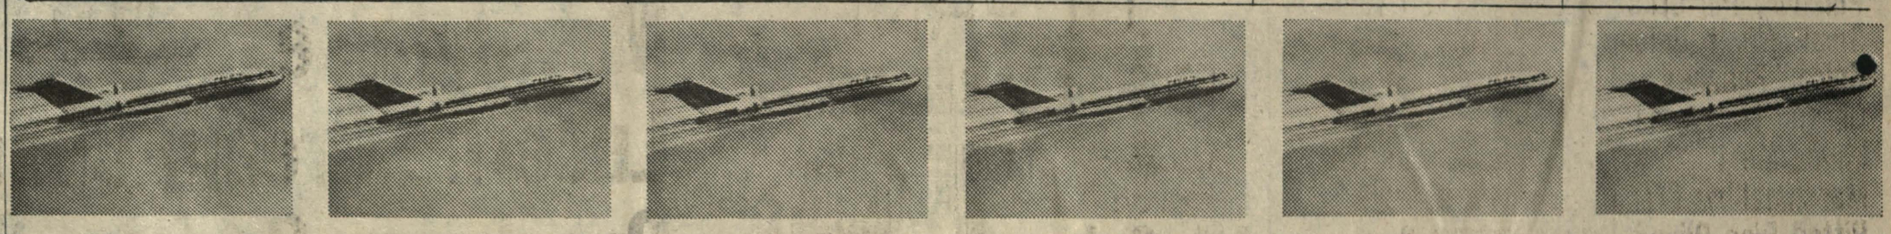
Post office airlifts packages to military overseas

All first class mail, personal sound recordings (voice letters), and parcels weighing five pounds or less and measuring not more than 60 inches in length and girth combined, will now be airlifted on a space available basis between the United States and all military post offices overseas, according to Jim Hurley, Campbell postmaster.

Also, under Public Law 89-725 -- The Dulski Military Mail Act--which was signed by President Johnson on Nov. 2, 1966, second class publications such as newspapers and magazines published weekly or more often, and featuring current news of interest to the military, will be airlifted from San Francisco to the armed forces serving in Viet Nam.

Postmaster Hurley explained that parcels weighing five pounds or less and not exceeding 60 inches in length and girth combined, paid at surface rates, will be moved by surface transportation within the United States from the points of mailing to the port of embarkation.

Postmaster Hurley also reminded mailers that Christmas parcels weighing five pounds and under, though they are given airlift priority from San Francisco to Viet Nam on a space available basis, should be mailed no later than Dec. 1. Airmail, he said, should be sent no later than Dec. 10.



Pacific Air Lines now has more pure jet flights to Los Angeles than any other airline.

Want to take a big, new 727 Fan Jet nonstop to Los Angeles? Pacific now offers you a choice of six flights every weekday. (Five flights on Saturday and Sunday.) Remember the old electric auto that went out of the picture about forty years ago? Watch out, it's about to make a comeback. All these years, the electric car has been gone, but engineers didn't forget it. You see, an automobile powered by electricity has tremendous advantages in its favor. It is more efficient in the first place. Converted to gasoline-mileage terms, the electric can operate at a rate equivalent to fifty to eighty miles per gallon. Its simplicity does away with an oil supply, carburetor, radiator, ignition system and transmission. Its big disadvantage,.... batteries that need frequent and inconvenient recharging, has been overcome by research. So, don't be surprised if you see a modern electric on the road - - - and soon'.....

ON CAPITOL HILL

with "Charlie" Gubser

The 89th Congress was known for the quality of legislation it passed but to a lesser extent it will be remembered for some of the personalities involved in it.

Representative Adam Clayton Powell (D-NY) earned the dubious distinction of being one of the few committee chairmen whose powers were seriously curbed by his own committee. Congress is concerned that Powell's court difficulties, questions about his office payroll, and employment of his wife while she lives in Puerto Rico, will reflect unfavorably upon all members. So, he stands a good chance of being "fenced in" still further.

Defeat of Rules Committee Chairman, Howard D. Smith (D-Va.), marked the passing of an institution and was met with genuine regret by even his political enemies who respected him.

Former Speaker Joseph Martin (R-Mass.), long known as Mr. Republican, was defeated in a Massachusetts primary--a tragic end to a glorious career of a fine man.

The Senior Democrats of the House Post Office and Civil Service Committee were eliminated in primary defeats. Chairman Tom Murray (D-Tenn.) a long term veteran lost and a few weeks later his heir apparent, James H. Morrison (D-La.), followed suit in Louisiana.

Chairman Harold Cooley (D-NC) of the House Agriculture Committee and well known for his handling of sugar legislation featured in a recent READERS DIGEST article succumbed to unfavorable publicity. Still another Chairman, Wayne Aspinall (D-Colo.) of the House Interior Committee had a close call.

House Democratic Leader Carl Albert suffered a heart attack; Senate Republican Leader Everett Dirksen was incapacitated for a good part of the session with a broken hip. House Parliamentarian Lewis Deschler, a fixture at the side of both Republican and Democratic Speakers for more than twenty-five years, underwent an operation and was missing for some time; House physician, Dr. George W. Calver, retired after thirty-eight years and the House Chaplain, Reverend Bernard Braskamp, passed away.

Speaker John McCormack made parliamentary history when he stepped down from the rostrum to vote "present", establish a quorum of 217 members, and allow passage of the Foreign Investors Tax Bill.

The "conscience" of the House, Rep. H.R. Gross (R-Iowa), a constant reader of legislative fine print and a stickler for orderly procedure, was forced to disrupt his outstanding attendance record and return to Iowa to stave off stiff opposition.

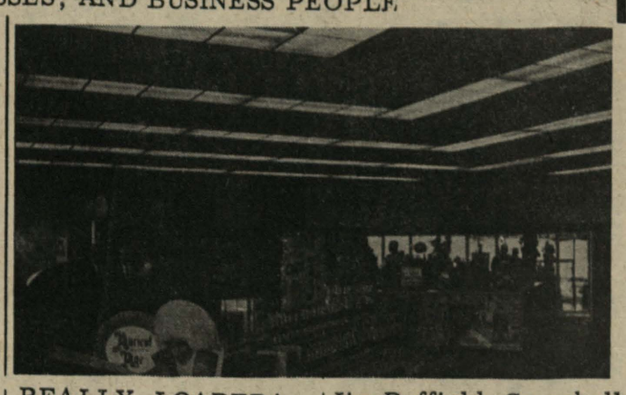
Congressman Joe Pool (D-Tex) brought additional unfavorable publicity to the House Un-American Activities Committee with his poor appearance before the TV cameras and his inept handling of skilled agitators of the New Left.

All in all the 89th Congress was unique--and the strong personalities among its membership helped to make it so!

BUSINESS NEWS

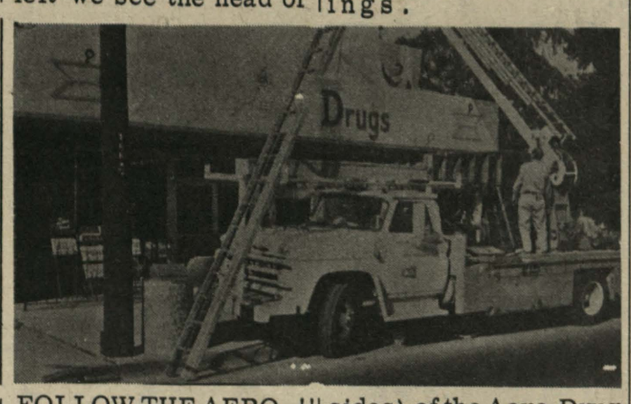
NEWS ABOUT LOCAL BUSINESSES, AND BUSINESS PEOPLE

LET'S OPEN UP ANOTHER ONE!--Pictured at the grand opening of Freddie's Liquors, at San Tomas Aquino Rd. and Campbell Ave., are the President of the Mountain View Chamber of Commerce, Mayor Doetsch of Campbell, Mrs. Fred Schallich (Anne), Fred Schallich (Freddie), the manager of the Mountain View Chamber of Commerce, and our own, Dick Hardy, president of Campbell's Chamber of Commerce.

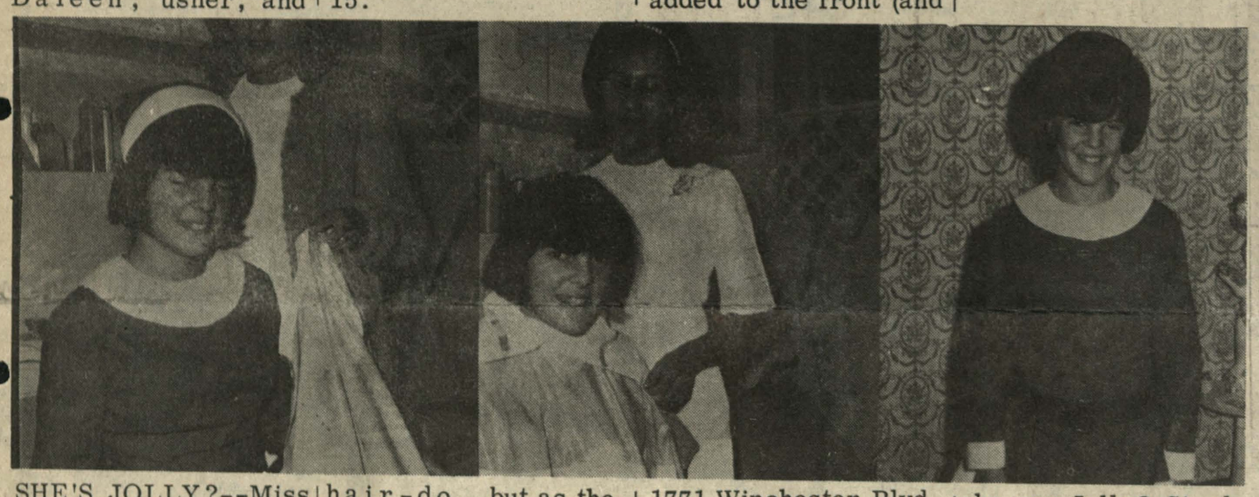


REALLY LOADED!--The spacious interior of Freddie's Liquors really gleams, and as you can see it is loaded with everything that the real connoiseur of fine beverages will delight in. To the extreme left we see the head of Jim Duffield, Campbell C. of C. manager (nice to see your back, Jim!), while in the far, dim distance...it is a BIG store...we can see Mr. and Mrs. "Freddie" Schallich, proudly viewing the proceedings.

THAT'S SHOW BIZ!--Dick Hardy, president of Campbell's Chamber of Commerce, assists in the opening of the PLAZA THEATRE, while Lynne Evans, usherette, Mrs. Norman Paul (wife of the co-owner) Miss Campbell, Shari Dahl, Leroy Daleen, usher, and Jack Gunsky, co-owner and manager, hold onto the ribbon. The cutting of the ribbon, marked the premier opening of the attractive family theatre located in the Campbell Plaza Shopping Center, at Budd and Winchester. Tuesday night, Nov. 15.



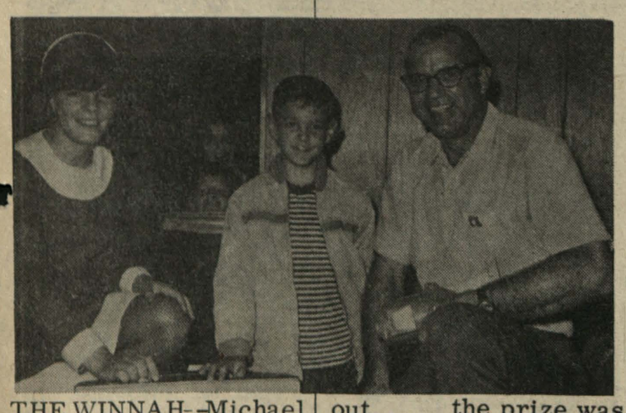
FOLLOW THE AERO..!!--Al Blaine, popular pharmacist and owner of the Aero Drugs, at 2075 Winchester Blvd., decided that the building needed a little "facade lifting", and being a man of "action", behold!...something new has been added to the front (and sides) of the Aero Drug Store! (Al is to be heartily commended on his action to "dress-up" his store. More merchants may take his lead and help to attract customers to town, by making their store fronts more ATTRACTIVE!)



SHE'S JOLLY?--Miss Santa, Melody Hoyer, didn't feel very jolly about the way the wind-and-the-rain played havoc with her bobbed-hair-do, but as the photos above plainly show, she soon returned to her "Jolly Old Self", after her visit to Si Jolie Coiffures, at 1771 Winchester Blvd. (in the Winchester Shopping Center) and an expertly styled bouffant by hair-stylist Lolly Alvarez. And now? is she ever Jolly? Si, she is Jolie! (Thank heavens for Leetle Girls... from a movie playing nearby...)

RED, KNOWS RAIN, DEAR!--The 1927 Model T. Ford truck, used for parades, etc., by Campbell's fearless-fire-fighters, knows when rain is coming! Saturday, as the rain started, the Model T Fire Truck didn't... that is it wouldn't until all the spare men in the firehouse came to the rescue of Miss Santa, and Santa Claus, himself. Finally the truck reluctantly fired up, and Miss Santa, Old Saint Nick, and Captain John Butterfield, started on their way toward the Campbell Shopping Center, for their first appearance, and to award the prizes in the afternoon's drawing. The photo was taken RIGHT THEN so that it would be recorded...in case "Red" failed us on the way.

IT'S IN THE BAG!--Everyone seems to feel that the success of the Campbell Shopping Center's Christmas "kick-off" is "in the bag" despite the rain, and Santa shows Dick Hardy, Miss Santa, Mayor Doetsch, (peering over Santa's shoulder), and Frank Goodner, president of the Merchants Association, that that's not all that was in the bag... candy!, etc. Later that afternoon (Saturday), the crowd that formed to hear the drawing called out, proved that the rain hadn't "dampened" the enthusiasm of Campbell's Pioneer Stock...they came... they saw...AND, they took away a portable TV set, and ten transsister radios! Santa nounced that he'd be on hand...every Saturday until Christmas!



THE WINNAH--Michael Narragon, of 125 Llewellyn Ave., Campbell, won the Zenith Portable TV set...on the first draw for the grand prize! Although Michael had to wait until ten transistor radios, made by Sun Mark, were drawn, and ticket numbers called out... the prize was well worth it, as is evidenced by the pleased smile on "Mike's" face. Miss Santa drew the lucky ticket, and Grant Bringhurst, of the Laurel Variety Store, used the "bull-horn" to call out the numbers.

THAT'S SOME PIECE OF PIE!--Miss Santa looks a bit "askance" at the "pie" which Brad Bradley, of the Black Knight Pizza Parlor, in the Winchester Shopping Center, is handing her. She had thought that a light snack would be nice after all that "work", and had her mind on a piece-of-pie...well... Brad came close...that IS a "peeza" pie! With little effort, however, Miss Santa "managed" to consume the "pie" with a beer...a ROOT-beer, that is, and complimented the "chef" on the tastiness of his wares.

Letters to the Editor

JACK FISCHER SCHOOL

Dear Mr. Vierhus,

The enclosed letter is a copy of same sent to the Board of Trustees, Campbell Union School District. I would appreciate having this letter published in a future copy of the Campbell Press under Letters to the Editor. Thank you.

Sincerely yours,
Mrs. Ray Vierra
1497 Hacienda
Campbell, California
95008

Gentlemen:

We are very proud and honored to work on the "Change of Name" committee supporting the recommendation that the name of the San Tomas School be changed to the Jack C. Fischer School.

Our four children have attended the San Tomas School for a total of (12) twelve years, therefore we feel that we are in a good position to have known the late Jack Fischer as a principal and as a warm hearted individual. His praise when a job was well done was sought eagerly and yet he could reprimand when it was necessary without losing the admiration and love of all children. By taking a little extra time for all his students and their parents he gained the respect, admiration and love of the community.

In renaming the school you will not only be honoring the late Jack Fischer but the whole Campbell Union School District as well, since this will reflect upon the far-sightedness and good judgment of both the superintendent and the Board of Trustees for upholding the responsibility of hiring men of the highest caliber.

We hereby are asking you to consider very seriously the renaming of the San Tomas School to the Jack C. Fischer School as a tribute not only to Jack but to each of you as well.

Enclosed are clippings from the Campbell Press supporting this recommendation.

Sincerely,
Dorothy and Ray Vierra
1497 Hacienda Ave.
Campbell, California

RENAMING SCHOOL

Dear Mr. Vierhus,

We recently circulated several petitions in our area to obtain signatures of those in favor of renaming San Tomas School to the Jack C. Fischer School.

The response we received was so tremendous, it prompted us to write you requesting you print the attached letter which expresses the feeling shared by so many of our friends and neighbors.

Sincerely,
Bill and Dolly Surratt
982 Steinway Avenue
Campbell, Calif.

Dear Mrs. Graham-Armstrong,

We are indeed proud to be part of the recently formed change of name committee for the San Tomas School. We would like to take this opportunity to express our view point and feelings on renaming the school to "The Jack Fischer School."

This is, we feel, such a minor request when we take into consideration how much Jack did for us, our children, and the entire community.

True, he didn't have to go above and beyond the call of duty. So few of us do! In this busy day and age of ours, we tend to selfishly go on each day forgetting to take just a few minutes to show compassion for those around us. Sad, but true. Jack always had time, and a smile for everyone. A worried and concerned parent, a skinned knee, Cub Scouts, needy families, etc., just to name a few. Jack did not consider being Principal of San Tomas School his duty. This was his life. What a pity this world has so few Jack Fischers.

One of Jack's most indispensable qualities which contributed to his great popularity and success was his ability to get along with people, regardless of their position or occupation. He always kept in mind that evey that every person is a living human being with pride that can be hurt, and hopes that could be either raised or shattered.

Yes, this is what we thought of him. He to us was a great guy! We only knew him for five short years, but the warmth of his sincere friendship will linger on in our hearts forever.

Won't you please give serious thought to renaming 'Jack's School." What a wonderful tribute this would be.

Sincerely,
Dolly and Bill Surratt

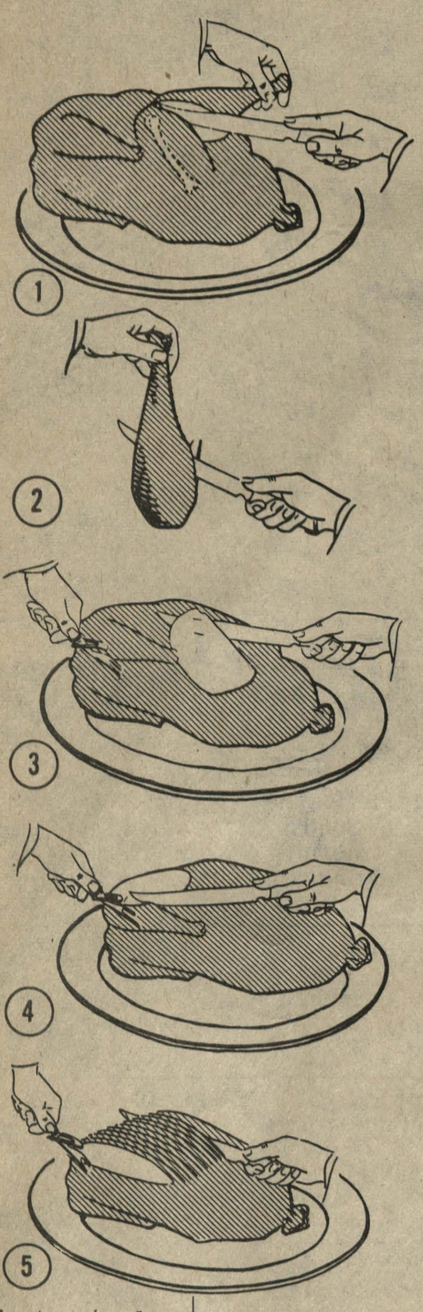
Easy turkey carving instructions shown



Will that succulent Thanksgiving turkey be carved into beautiful, mouth-watering slices, or will the man of the house hack it into a mangled wreck?

Carving a turkey is an annual trauma for some people, but is simplicity itself for others. As with so many things, it's easy when you know how.

Drawings taken from World Book Encyclopedia show you how.

First, remove the leg by turning the turkey on its side with its breastbone away from you. Hold the end of the drumstick and pull it forward as the knife cuts through the joint. (Figure 1.)

Next, carve the drumstick into lengthwise slices by standing it on its thick end and holding the thin end with your hand. (Figure 2.)

Carve the thigh after the leg. Expose the thighbone by slicing down to it. Remove the thighbone by running the point of the knife around it and lifting it up with the fork. Then finish slicing the thigh meat. (Figure 3.)

If you want only a few large slices from the breast, carve with the grain. Slice lengthwise until you reach the wing joint, then remove the wing. Continue slicing until you have carved all the white meat on one side of the turkey. (Figure 4.)

If you want several small slices from the breast, carve across the grain. First remove the wing, then slice at an angle of about 45 degrees. Continue carving slices until you reach the breastbone. Loosen the slices by cutting along the bone under them. (Figure 5.)

And that's all there is to it.

Provided, of course, that you have the proper tools. The article on "Meat and Meat Carving" in World Book says:

"The well-kept carving set is very important to good carving. A good carving knife needs to be sharpened only once in a while, but it should always be steeled before using.

"A meat platter or a carving board allows more room for cutting and makes carving easier. A large carving fork holds the meat much more firmly than an ordinary fork."

Bon appetit, and don't forget the cranberry sauce.

CHRISTIAN SCIENCE

Thanksgiving will be observed at an 11 a.m. service on Thursday, Nov. 24 in the First Church of Christ, Scientist, 395 W. Rincon Ave., Campbell. Sermon reading from the Bible and the Christian Science textbook will bring out the close relationship between prayer and Thanksgiving.

The service will be conducted by the First Reader of the church, Mrs. Ida Mitchell, and by William Barnett, Second Reader.

The Thanksgiving Day Proclamation of the President of the United States will be read as part of the service.

ZION LUTHERAN

Zion Lutheran Church, 3257 Payne Ave., San Jose, will hold Thanksgiving Day services at 9 a.m. Pastor R. B. Wiederanders will present the sermon "Symphony of Gladness."

Campbell High meets Los Gatos

Teams play here in 32nd battle

No title will be at stake in the traditional annual Thanksgiving Day football game between Los Gatos and Campbell high schools on the Campbell field but the enthusiasm for the contest still remains at a high pitch.

The kickoff is scheduled for 11 a.m.

Because Campbell goes into the game with a better season record against common opponents than Los Gatos, the Bucs are favored to chalk up their second consecutive win against their neighbors.

Last year Campbell came out on top 32-14 after bowing to Los Gatos for four consecutive wins in the years preceding the 1965 battle.

The local gridiron classic has been going on for 32 years, starting in 1934 when Los Gatos won 6-0.

Although the Los Gatos-Campbell rivalry is the "grand-daddy" of the Turkey Day games, tradition is fast building up for the games their "cousins" play the same day.

Camden, this district's second oldest school, meets Del Mar, the district's third oldest school.

Leigh and Westmont also meet on the Turkey Day gridiron and Saratoga and Blackford tangle.

Leigh this year has virtually sewed up the championship. But Westmont, last year's so-called "cinderella" team, is expected to give a good account on the football field Thursday.

But league championships come and go. For the past 32 years, the Los Gatos Wildcats and the Campbell High Buccaneers have tangled on the football field on Thanksgiving Day in something "real special."

When the rivalry started, there was only one high school in the Campbell district and one in Los Gatos. Today there are six Campbell schools, one more is being built and still another planned. Saratoga has branched off Los Gatos and another Los Gatos district school is also planned.

One of the classic battles in the 32 year history of the games was the 1960 tilt when the two teams fought to the wire with Campbell winning 46-20 to end a perfect 9-0 season.

That was the year, incidentally, when Craig Morton and Jack Schraub starred for Campbell. Morton and Schraub went on to Cal to set new records for the Blue and Gold.

During the years, Los Gatos holds the edge over Campbell with 18 wins while Campbell has only collected 13. One game (1943) ended in a 0-0 tie.

Although Campbell had a five-game winning streak (1952 to 1957), Los Gatos is tops in that department also with six consecutive victories. In fact it was six years after the series started before Campbell could collect its first win.

Redwood land in trust is twice that needed for national park

IN TRUST--Old redwood trees such as these in a California state park are preserved for posterity by a huge system of state redwood parks and by forest products companies who are holding their finest redwood groves in trust for possible future park development.

Redwood land area already in trust or state ownership is more than twice that considered by the National Park Service to be necessary for a redwood national park, according to John Gleason Miles of Eureka, Calif., resource consultant, who recently completed a study in depth of past, present and proposed future uses of redwood lands.

Miles cited figures showing that existing California state redwood parks contain 107,000 acres, of which 93,000 are in redwood forest and the balance in meadow, woodland, beach and river. He said the 93,000 acres of redwood forest include 60,000 acres of the finest old-growth and 33,000 acres of vigorous young-growth trees.

In addition, 6200 acres--including 2200 acres of old, untouched redwoods and 2600 acres of residual old-growth and second-growth stands--are being held in trust by private owners for possible future public parks. The forest products companies pay full taxes on these lands held in trust.

The 107,000 acres already in state parks and thd 6200 acres in trust--a total of 113,200 acres--is more than twice as much acreage as is needed for a redwood national park, Miles said.

Miles emphasized that he based this statement not on his own assumption, but on future-need figures established by the National Park Service in a recent projection of park requirements.

He also quoted Newton B. Drury, ex-director of the National Park Service, as saying in 1946, "The best and most representative of redwood forests are now in California state parks. They are being carefully and intelligently protected."

Miles pointed out that the state park system has been enlarged since Drury made that statement 20 years ago, and the forest products companies have continued to protect the magnificent redwood trees in alluvial flats

ORDINANCE # 570

BEING AN INTERIM ZONING ORDINANCE APPLYING CERTAIN RESTRICTIONS TO THE USE OF LAND, BUILDINGS AND STRUCTURES AND TO THE ERECTION, CONSTRUCTION OR ALTERATION OF BUILDINGS OR STRUCTURES WITHIN THAT AREA UNDER ZONE CHANGE PROCEEDINGS DESIGNATED AS ZONE CHANGE 1966-21.

WHEREAS, Section 9333.6 of the Campbell Municipal Code provides for an Interim Ordinance prohibiting uses which may be in conflict with proposed zoning studies by the City Council, Planning Commission or Planning Department; and

WHEREAS, the Planning Commission of the City of Campbell has initiated zone change procedures so as to change zone from M-1-S to C-2-S on certain properties located on Hamilton Avenue, in order to insure proper and harmonious development of this area;

NOW, THEREFORE, THE CITY COUNCIL DOES ORDAIN AS FOLLOWS:

Section 1. That the area referred to and defined by Parcels 1 through 4 of the map attached hereto as "Exhibit A", is hereby placed in an Interim Zone as C-2-S.

Section 2. That no application for building permit, moving permit, use permit, variance, zone change or change in use of land or alteration of any existing structure may be made for the duration of said Interim Zoning except in accordance with the provisions of the C-2-S zoning requirements of the Campbell Municipal Code.

Section 3. That this Ordinance is hereby declared to be of a temporary nature to serve only for a period of ninety (90) days from its effective date or until such time as zoning of these properties has become final as determined by the City Council of the City of Campbell.

Section 4. That this Ordinance shall be and is hereby declared to be an urgency measure and shall take effect immediately upon adoption. That the facts supporting such urgency measure are that unless these properties are now zoned C-2-S, the development of the area would not be in keeping with the Policy Decision of the City Council of the City of Campbell for commercial development of properties fronting on Hamilton Avenue, and that the possible industrial development would be harmful to and incompatible with the existing development of the surrounding properties. That such Interim Ordinance is necessary for the immediate preservation of health, safety and welfare of the people of Campbell.

Section 5. That this Ordinance and Map shall be published in the Campbell Press, a newspaper published in the City of Campbell and that the owners of the property involved shall be mailed a copy of said Ordinance.

PREVAILING WAGE RATES

Pursuant to the provisions of the Labor Code, the Board of Supervisors has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the County in which the work is to be done to be as hereinafter set forth and more completely set forth in the specification documents sometimes referred to as Exhibit A.

Copies of all collective bargaining agreements relating to the work to be performed as set forth in the aforementioned Labor Code containing information relating to wages, fringe benefits, subsistence, and travel pay are on file and are available for inspection in the offices of the Division of Labor Statistics and Research of the Department of Industrial Relations.

Employer payments other than those hereinafter itemized, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

The following shall govern as to overtime and Sunday or Holiday work: overtime work --not less than one and one-half (1 1/2) times the basic hourly rate plus applicable employer payments; Sunday and Holiday work--not less than one and one-half (1 1/2) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

building for science and mathematics may be started in early 1968, should funds be available, according to Hall.

The drawings submitted at the meeting, held in the student union to accommodate the crowd of nearly 200 persons including many students who gathered to hear the board's decisions, differed only in minor details from the plans approved by the trustees last March.

These plans and specifications, as directed by the board, will now be submitted to state reviewing agencies for acceptance, and to the Saratoga Planning Commission for the necessary use permits and site approval.

By action of the board, Chairman Robert W. Brydon was selected to act as liaison officer for the trustees in working with the municipal planning department administrators and commission members.

William P. Kiley Jr., Santa Clara city councilman, appeared before the trustees to urge reconsideration of the Santa Clara site, which he described as having the unanimous support of his associate council members, who were attempting to work out possible financial assistance for the college through funding backed by his city.

William Ward, Santa Clara resident whose gift of a five-acre parcel initially sparked the proposed northeastern campus site, was joined by Saratogan Joseph Assenza in urging that the Santa Clara location be developed prior to development of the site in Saratoga.

Both men argued that more students would be more readily served by campus placement in Santa Clara.

Chairman Robert Brydon reminded listeners that a policy that committed the district "to building the first complete campus in Santa Clara" was still in effect, but that the board was committed to utilize funds on hand to proceed with structures in Saratoga.

Board member Jack Armstrong then moved that the earlier policy in regard to Santa Clara be rescinded. His motion, however, was supported only by Bruce Allen, as the board voted down the action.

DEFER ACTION

Dale Scott, representing the Santa Clara County Taxpayers Association, asked that the trustees defer action on building relocatable classroom buildings needed for present and future growth, until the Green Bill now under consideration by the state legislature, could be acted upon. The Green Bill, according to Scott, is intended to relieve school boards from personal liability imposed by a recent decision of the state attorney general's office.

College President Wallace W. Hall, responding to Scott's suggestion, stated that even if the Green Bill should be enacted, its provisions would probably not apply to the college, since it only leases, and does not own the present buildings on the temporary Campbell site. Hall also stated that it did not seem likely that the Campbell School District trustees would be interested in rehabilitation of the buildings.

Hall outlined and the board approved a program for development of present and future classroom facilities, on both the temporary Campbell campus and the Saratoga sites. Thirty-five relocatable classroom units, designed by architects Higgins and Rott, will be placed on space available on the present Latimer and Rincon Avenue parking lots. These units, which can later be moved to other permanent sites available, will be installed to accommodate the classroom population displaced when five rooms were evacuated from condemned building A in Campbell, as well as to meet future growth needs.

SJS extension reach more than 10,000 students

To meet the demands for continuing education, the San Jose State College Extension Services served 10,271 students in a 7500 sq. mile service area in 1965-66.

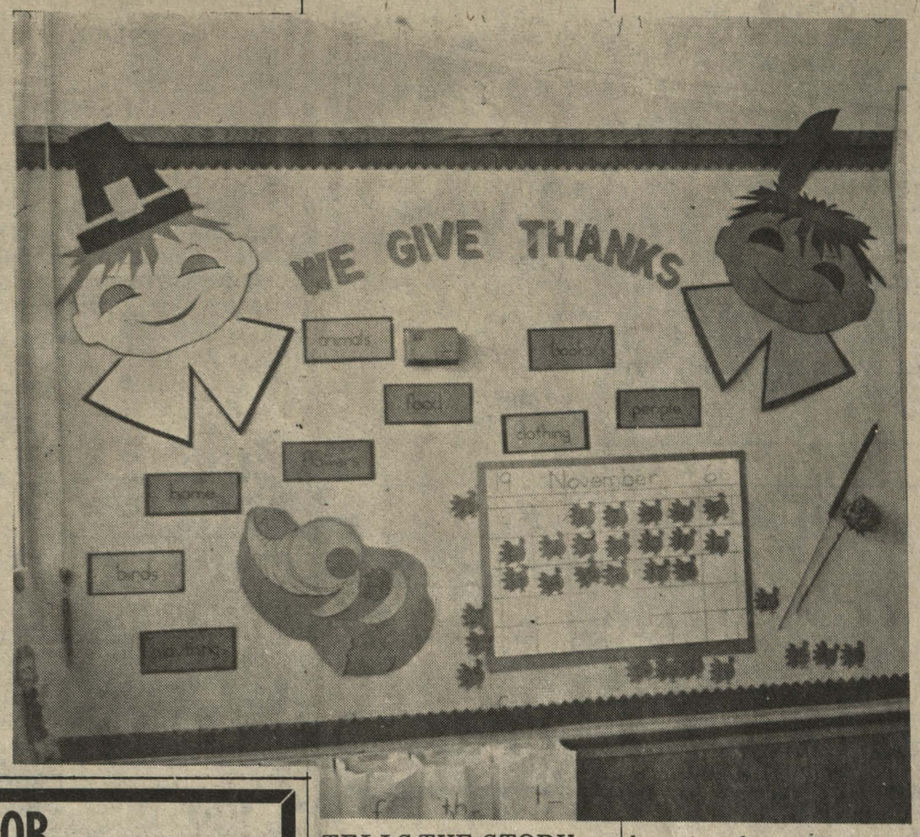
Growing more rapidly than the regular college enrollments, Extension classes enrolled more than 43,000 students in the past five years, showing a 48 per cent increase in student numbers. This "invisible campus," spanning nine counties has involved 700 faculty members.

According to Dr. Frank G. Willey, director of extension at SJSC, more than one-third of the courses offered were not previously offered and many were pioneer efforts involving instruction not introduced on the campus. In response to requests courses are now offered on a 12-month basis.

READY FOR THE BIG DAY--Jimmy Mays, Albert Compton and Connie Mays, members of the second grade class of Mrs. Barbara Norwood of Hamilton School, pose with some of the decorations that typify the Thanksgiving season.

MOTIF OF SEASON--Diana Regalado, of 42 W. Campbell Ave., a member of the first grade class of Mrs. Maureen D'attilo at Hamilton School, gets into the spirit of Thanksgiving dressed in Indian costume.

She is also adept at the tom-tom drum as part of the Thanksgiving tradition.



TELLS THE STORY--A display in a second grade classroom at Hamilton School in Campbell typifies the basis for the traditional American observance, Thanksgiving Day.
